

**Robert's Steakhouse of New York Named "Best Steakhouse"
In The 2013 Best of Philly Edition of *Philadelphia Magazine***

Atlantic City, NJ (August 1, 2013) – Robert's Steakhouse of New York located inside Trump Taj Mahal Casino Hotel has just been named "Best Steakhouse" in the Philadelphia metro region by the editors of the 2013 Best of Philly edition of *Philadelphia Magazine*.

Largely considered Philadelphia's top-ranked lifestyle publication, *Philadelphia Magazine's* 2013 Best of Philly issue marks the 40th Anniversary of this widely read and anxiously anticipated annual edition. According to the magazine "...we're celebrating the tradition with a ton of fresh honorees..." including Robert's Steakhouse of New York taking the coveted position of Best Steakhouse in the region. With praise indeed magazine writers/editors stated, ***"Robert's has now expanded to Atlantic City, and the steaks here reach that rarely achieved level known as utter perfection."***

Opening on the first floor of Trump Taj Mahal just nine short months ago in November of 2012, Robert's Steakhouse has quickly distinguished itself as Atlantic City's premier fine dining experience. With its proprietary in-house dry aging process, the commitment to unrivaled quality provides Robert's dining guests with an uncommon experience in culinary excellence.

"We are so very pleased to have our Robert's Atlantic City location recognized with this distinction by *Philadelphia Magazine*," stated Bob Gans, Owner of Robert's Steakhouse. "We've always known the steaks at Robert's are the absolute best, we insist on it. That's the hallmark of the Robert's Steakhouse philosophy carried out each and every day by our incredible culinary staff lead by Executive Chef Will Savarese," added Gans.

Contemporary and inviting, Robert's features an 8,000 square foot dining room for approximately 200 guests; a private dining room for up to 25; and lively cocktail lounge. Robert's distinguishes itself among other steakhouses in the region as an owner-operated business, not a corporatized chain. The culinary team has the luxury of time and resources

to finesse cuts of Prime steak which are dry-aged to perfection using Robert's proprietary in house technique for unsurpassed quality and flavor.

While the superstars on the menu are the steaks, including a hearty bone-in New York Strip, hand-cut Filet Mignon and the ultimate Porterhouse for Two; Robert's menu is studded with locally-grown produce, fresh seafood and sinful desserts. An extensive wine list features award winning selections including rare finds from boutique wineries rounding out a truly fine dining experience. *The New York Times* has written "Robert's has some of the best steaks in New York..." and *New York Magazine* voted Robert's The Best Rib Eye in NY.
