

Robert's Steakhouse of New York Announces Return to Atlantic City with June 28 Grand Reopening at Hard Rock Hotel & Casino Atlantic City

Atlantic City, NJ (June 1, 2018) — Those cheering sounds you hear are from fans of Robert's Steakhouse of New York, who have seen the signs that their favorite restaurant is coming back to town. Once widely known and critically acclaimed as one of the best steakhouses in the region, Robert's Steakhouse will celebrate its grand reopening on Thursday, June 28, 2018 at the all-new Hard Rock Hotel & Casino Atlantic City.

"The best is back! My entire team and I are excited to re-open our doors and start serving friends old and new at Hard Rock Hotel & Casino Atlantic City," said owner Bob Gans about Robert's Steakhouse, which was forced to shut its doors when Trump Taj Mahal closed in October of 2016. "We absolutely believe in, and love Atlantic City, which is why we originally invested in building this luxury, fine dining experience we call Robert's Steakhouse. We're thrilled to once again open our doors to remind our guests just how great steakhouse dining can be."

In its first incarnation, Robert's Steakhouse quickly distinguished itself as Atlantic City's leading luxury dining experience with knowledgeable servers and exceptional food. In 2013, just nine months after opening, Roberts was named "Best Steakhouse" in the Philadelphia metro region by the editors of the Best of Philly edition of *Philadelphia Magazine*.

The restaurant will reopen in its former, elegantly appointed location. Robert's Steakhouse will feature 200 seats across a modern dining room with leather banquettes, dark woods and dramatic ceiling beams, as well as a cozy lounge area with rippled glass louvers and a glass-enclosed fireplace.

As beautiful as the setting is, the reason people will return to Robert's is the food, led once again by Executive Chef Will Savarese. Robert's will be the only steakhouse in town to dry age its prime meat in-house for a minimum of six weeks, taking its signature porterhouse, rib eye, New York strip, cuts to unmatched levels of texture and flavor.

The menu will change frequently to take advantage of fresh ingredients. Options like Robert's Burger, Free Range Chicken, scallops, sea bass, lobster and salmon will offer something for every palate. Guests will also enjoy innovative cocktails, single barrel and small batch whiskeys and a comprehensive wine list and live entertainment on Friday and Saturday evenings.

“Our goal at Robert’s is to offer an uncommonly excellent culinary experience. It’s wonderful to be back. This time, Robert’s Steakhouse is here to stay,” stated Will Savarese, Executive Chef for Robert’s Steakhouse.

Both the lounge and the main dining room will be open from 5:30 p.m. to 10:30 p.m. every Monday through Thursday, 5:30 p.m. to 11 p.m. every Friday, and 5 p.m. to 11:30 p.m. every Saturday.

Located just off the casino floor at Hard Rock Hotel & Casino Atlantic City, Robert’s Steakhouse of New York is an upscale, 8,000 square foot fine dining experience with seating for approximately 200 guests, including a private dining room which accommodates parties up to 25. The contemporary restaurant offers a warm, inviting atmosphere as envisioned by its owner Bob Gans. It is open for dinner six nights a week, Monday through Saturday.
